# OUR MISSION

For over four decades, Lane & Associates Family Dentistry (LAA) has been committed to offering the best comprehensive approach to dentistry, protecting and preserving the dental health of children, teenagers, and adults across North Carolina.

Lane & Associates delivers the best all-inclusive dental services, including orthodontics and oral surgery, in a caring, thoughtful environment.

Routine dental exams, teeth whitening, wisdom teeth removal — even sleep apnea and other specialty treatments — are just a few of the many services we offer.

At Lane & Associates Family Dentistry,

*we love to make you smile!*

*Dr. Don Lane*

# DOCTOR REVIEWS

## DR. BRANDY HERRING

From working along side specialists to seasoned general dentists, I have benefited greatly from the team approach to patient care. I now have the ability to confidently offer a comprehensive range of services!

## DR. YAWER BASHIR

The best thing about working with Dr. Lane is the absolute autonomy that a doctor has in respect to treatment planning and delivering the best care possible for your patients!

## DR. ANTHONY FARMER

I have been very happy with my experience here at LAA. The company makes the investment into the latest technology and supplies needed to be competitive in the dental field today.

## DR. TRAVIS EDWARDS

My co-workers are some of the best people I've worked with in my career. I love my team, we really care about our patients and the work that we do!

## DR. HALEY NICHOLS

At LAA you can focus on dentistry without the added stress of business management. You have the clinical autonomy you want and a wide range of specialists to refer to in-house!

## DR. CORTNEY DAVIS

For over 16 years I have enjoyed working at LAA. One of the best aspects of employment with Lane is the network of general dentists and specialist that are available to help in patient care.

## DR. TEJA SRINIVAS

I practice dentistry like I love to do, without any pressures and have the flexibility to choose from the procedures I am comfortable with while referring out any complex procedures.

## DR. GARRETT SOLECKI

LAA has been the perfect place for me to practice dentistry for the last 5 years. I have the freedom to practice how I like, with a great support system of people and dentists who will help you explore & learn!

## DR. KALP JUTHANI

There is an emphasis on keeping abreast with the latest dental technology/advancements. New dentists are encouraged through CE and company led Zoom discussions!

## DR. CHRISTINE KIM

Great work environment with office locations all over the state so you can work close to home. Great perks like tickets to events, birthday gifts, and anniversary checks.

## DR. HUNTER PIERMONT

I have found myself to have the "group practice gene" and enjoy playing my small part in a big team. LAA allows me to have this sense of camaraderie while practicing dentistry in the way I am able!
